**MEMORANDUM FOR:** Deputy Chief, Military Personnel Division  
**FROM:** Special Contracting Officer  
**SUBJECT:** Differential Payment, [REDACTED]

25X1A

Upon receipt of your memorandum re reconsideration of subject's claim, a member of this Staff discussed the problem anew with a member of the Office of General Counsel. As there is nothing in the attached file to indicate that the course in question will operationally benefit CIA while subject is detailed hereto, the primary benefit to the individual must be a personal one and therefore must again be denied.
